

BFISC Website & Social Media Information Sheet

As part of supporting our skaters and to promote club activities & celebrate member achievements from time to time BFISC (Boondall Figure Ice Skating Club) are seeking permission for the use of skater's details on social media.

As an example a recent Facebook post was;

“Wishing our BFISC Skaters, Brooklee Han, Chantelle Kerry & Andrew Dodds the best of luck as they represent Australia at the ISU Four Continents Championships.”

This also included a photo of each of the skaters.

In keeping with ISA Social Media Policy

(http://docs.wixstatic.com/ugd/793a42_d8ad77651da34653a0e7640f04fe7c75.pdf)

in particular the following:

A club, program or team should have a signed name and likeness consent and release agreement form by the minor's parents or legal guardian before any distribution or posting of photos, videos, images etc. No contact information for any minor should be placed on any social media sites.

BFISC are requiring a Social Media Consent form be agreed upon if you wish you/your child to be a part of any promotion of club and skater success on Social Media.

The ability to consent is included in the new online membership forms.

By giving consent you to give us (*Boondall Figure Ice Skating Club*) permission to publish you/your child's name, competition details and result, images or videos in various media for promotional purposes on the club's social media and online channels (websites, Facebook, Twitter, etc.)

By agreeing and giving your consent you understand that any details, images, video or audio used may be seen in a public environment that, given the nature of Social media, could extend worldwide.

You also acknowledge that *Boondall Figure Ice Skating Club* is not obliged to include yourself/child in any related promotional activities.

Please note that this permission is not a compulsory part of joining or renewing BFISC memberships.

This permission will be active for the current membership year and can be revoked at any time in writing.

If you have any concerns at any time, please contact the BFISC Secretary at secretarybfisc@gmail.com
